Project Presentation

Team Introduction

S. No.	Member Name	Student Id
1.	Brandon Watson	200269911
2.	Rajesh Sharma	200377533
3.	S M Rizwan Islam Rhythm	200470683
4.	Yamin Mowla	200469467

Problem Description

Finding better solution for the Profiles and Projects component of the website in providing categorically clear and useful information about the year-to-date projects. The main goal is to provide better visualization of the information present under Profiles and Projects.

Northstar and Carryover Customer

Northstar Customers are Volunteers, Teachers and Researchers.

Carryover Customers are the Local Communities, Existing or Past Volunteers, Researchers, Environmentalists, Past Project owners which work for the Sustainability Development.
